\*Some restrictions may apply. Not all channels and features are available in all areas; check for availability in your area. Applicable taxes, franchise fees, or other surcharges may apply. Services and pricing are subject to change. Services are subject to terms and conditions of Ralls Technologies' subscriber agreements, online policies, and other applicable terms and conditions. Programming, channel location and packaging subject to change. All Ralls Technologies prices listed are monthly, recurring charges unless otherwise indicated, excluding one time fees such as installation, administrative, and Pay Per View charges. All sales subject to credit check and may require prepayment of service or a deposit. To receive HD features and benefits, an HD television set with component, HDMI, or DVI inputs that supports 1080i and meets Ralls Technologies specifications for DVR service required. Advertised channels/stations may be provided to Ralls Technologies in HD format by the content provider.

Standard installation includes up to 2 outlets located no more than 125 feet from the existing Ralls Technologies plant; primary and secondary outlets only; does not include wall fishing. Custom work includes, but is not limited to, wall fishing; extensive work in drop ceiling, attics or crawlspaces; removal or replacement of fixtures; relocation of drops; and installation of customer owned equipment such as home theaters, DVR and HD TV equipment. Customers must make their own agreement for any work deemed "custom" by a Ralls Technologies technician.

Leased equipment must be returned to the Ralls Technologies local office if service is canceled. FCC regulatory fees varies during the year based on a FCC mandated schedule. This represents the fee in place as of the printing of this schedule. The names, images, and logos of featured programs are the property of their respective owners. Other restrictions may apply.
